The Writing Revolution Judith C. Hochman, Natalie Wexler, 2017-08-07 Why you need a writing revolution in your classroom and how to lead it The Writing Revolution (TWR) provides a clear method of instruction that you can use no matter what subject or grade level you teach. The model, also known as The Hochman Method, has demonstrated, over and over, that it can turn weak writers into strong communicators by focusing on specific techniques that match their needs and by providing them with targeted feedback. Insurmountable as the challenges faced by many students may seem, The Writing Revolution can make a dramatic difference. And the method does more than improve writing skills. It also helps: Boost reading comprehension Improve organizational and study skills Enhance speaking abilities Develop analytical capabilities The Writing Revolution is as much a method of teaching content as it is a method of teaching writing. There's no separate writing block and no separate writing curriculum. Instead, teachers of all subjects adapt the TWR strategies and activities to their current curriculum and weave them into their content instruction. But perhaps what's most revolutionary about the TWR method is that it takes the mystery out of learning to write well. It breaks the writing process down into manageable chunks and then has students practice the chunks they need, repeatedly, while also learning content.

A Fine, Fine School Sharon Creech, 2003-12-23 One day, Mr. Keene called all the students and teachers together and said, This is a fine, fine school! From now on, let's have school on Saturdays too. And then there was more. School all weekend. School on the holidays. School in the SUMMER! What was next . . . SCHOOL AT NIGHT? So it's up to Tillie to show her well-intentioned principal, Mr. Keene, that even though his fine, fine school is a wonderful place, it's not fine, fine to be there all the time.

A Bike Like Sergio's Maribeth Boelts, 2022-02-01 "Boelts lays out Ruben's ethical dilemma and emotional turmoil without preaching, and his struggle toward the moral choice . . . is both dramatic and genuine." — Publishers Weekly (starred review) Ruben feels like he is the only kid without a bike. His friend Sergio reminds him that his birthday is coming, but Ruben knows

his family can't afford that. So when Ruben sees a dollar bill fall out of someone's purse, he picks it up and puts it in his pocket. But when he gets home, he discovers it's not one dollar or even five or ten — it's a hundred-dollar bill, more than enough for a new bike just like Sergio's! Finders keepers, right? Presenting a relatable story with subtlety and heart, the creative team behind *Those Shoes* pairs up again for a story about how hard it can be to do the right thing.
